CREATE YOUR OWN CHARACTER MASKS!

DIRECTIONS:

1. Print on 8.5" x 11" cardstock (or print on regular printer paper & glue onto cardboard).

2. Carefully cut out around mask.

3. Holding the mask over your face, make light pencil marks where the eyes, nose should be cut. Then remove the mask from your face and cut holes into the marks you made, as large or small as you like.

4. Attach string or elastic to sides of mask

   or

5. Adults - help your child hot glue their mask to an inexpensive pair of children’s sunglasses - lenses removed.
