Dear Educator,

By filling out the form on page 2 and faxing it to Park Education you agree and understand to the policies described on this page. Filling out this registration does not guarantee a reservation. You will receive an email confirmation within two weeks of sending this form. The confirmation will include an invoice, grade appropriate self-guided tour information, and an information sheet. If you do not receive a confirmation within 2 weeks of sending in your form please call us at 760-738-5057.

Entrance fees may change depending on several variables. San Diego County students are free of charge during traditional school days. Schools located outside of San Diego County pay a discounted rate of \$6 for each student on traditional school days. All schools pay \$7 per student on weekends, school holidays, and during the summer. The minimum size of a school group is 15 people. If you are bringing a special needs class the minimum group size is 8. We have a maximum of 200 people per school per day. Each Individual over the 200 person limit is charged full price, which is \$42.

Your group must have a minimum of 1 adult for 10 students. The maximum ratio of adults allowed varies depending on your mode of transportation to the Park. If you are arriving by bus 1 adult for every 5 students is the maximum ratio allowed. If you are arriving by cars the to the Park the maximum ratio is 1 adult for every 4 students. If you have any special needs students we do allow 1 adult for every 1 special needs student in the group. Please indicate this on the registration form, if it applies to you group.

Adults within the maximum ratio are the same price as the students. Adults above the maximum ratio up to and not exceeding total number of students are \$10 each. Adult chaperones are required to stay with their students at all times. If the number of adults exceeds the number of students, each adult over and above the number of students will be charged the full admission price of \$42. Teachers are counted in the total number of adults. The African Tram is \$5 per person in your group if you would like to add it.

If your school would like to pay by purchase order we must receive a copy of it at least 1 full week prior to your visit date. If we do not receive a purchase order by that time payment by cash, check, or charge is due when checking in. If you are planning on paying by cash, check, or charge it is due upon check in.

Reservations must be made at least 2 weeks (10 business days) prior to your visit date. School groups that have made their reservation at least 2 weeks in advance will receive free parking. The drivers will only have to reference that they are on a school trip with your school's name at the parking gate to be allowed in. Any made within 2 weeks will be charged a \$20 late fee and do not receive free parking which is currently \$10 per car. Buses park for free. School groups without reservations pay regular admission and parking rates.

Lunches can be ordered through our food service department at 760-738-5055. Please call them to place an order after you have received your confirmation. They will ask for your order number.

Thank you so much for your attention to this information. We believe that these details will help you to have a more enjoyable visit to the Safari Park.

Sincerely,
Park Education
